The second visit took place from July 21 to 28, 1977. The man of God was brought by the angel. He saw the throne of God and on July 28th, when God should pick up, he said this was the sign that would accompany the man of God: **"No one could stand before him with regard to the Bible"**. He was called himself (secretly) and his wife noticed that her husband had changed.

His Life in the ministry consists of his doctrine. His life is in the message, a message to give to men and this is the message he is teaching. His ministry is the Ministry of Restoration, to call the people to the order which was established by Jesus Christ, Paul of Tarsus and the apostles, **Malachi 4: 4-6**.

The mission of the Man of God is to proclaim the day of vengeance of the Lord according to **Isaiah 61:1-2**. His ministry has three stages divided into two phases:

- the first phase: from 1977 to 1984, training of the animal man
- the second phase: from 1984 to 1991, training of the spiritual man
from 1991 to eternity of the Kingdom of God

Jesus warns the people in **Luke 18: 8** When the Son of man cometh shall he find faith on earth? Jesus warns his disciples who noted the beauty of the temple and three questions are posed: **Matthew 24: 1-3, 15, 14, 24-25, 26-2, 29-31**. Warning! **Luke 6: 22, 26**. Verse 22: we are most fortunate because we are treated as infamous. Verse 26 says misfortune when they will say good of you. **Deuteronomy 4: 1-2, 5-6**, to keep God's law, if someone does so, he will become intelligent and wise. It was necessary to observe this law for living. It is the same for us Spiritual Israel, for this law is perfect.

Mukungubila Mutombo Paul Joseph, Prophet of the Lord: is there a vision of society?

To this question, the Prophet of the Lord responds with the following:

To have a vision of society requires this society to be defined.

Now we have an ailment extraordinary for the national community.

Our society is bloodless, multi-headed.

It should first be defined in its parent structure, the mother cell which is the family in its political structure, the nation.
